Dear Colleague:

The Pan American Coalition of Welding Institutions (PACWI) is sponsoring a Conference entitled "Welding Research in the Americas," to be held on April 4, 1992, in Rio de Janeiro, Brazil.

Your organization is invited to present an unpublished work in the field of Welding Research at this Conference. I am enclosing an "Invitation to Authors" and the corresponding Application Form with the request that you publish same in your monthly publication, or circulate it to your members so that they may present their papers for consideration by the Special Committee of PACWI for the 1992 Conference.

If you, or any of your members, wish to attend, please advise me and I will mail you the corresponding registration forms. Thank you for your assistance in this matter.

Sincerely,

Dr. Nelson C. Wall
Secretary/Treasurer
