THE JOURNAL OF THE ASSOCIATION OF ENGINEERS, INDIA

GUIDELINE TO AUTHORS FOR SUBMISSION OF PAPERS

1. INTRODUCTION

The Journal of The Association of Engineers, India (JAEI) is a quarterly peer reviewed publication of The Association of Engineers, India (AEI). Original research papers/ review papers/ technical note/ technical comments are invited related to any field of engineering, technology, management, etc. for publication in the Journal.

2. GENERAL REQUIREMENTS

Full length article would be typically of 3000 words and review paper would be typically of 4000 words.

- The paper should be written in double line-spaced and fully justified in 12 point Times New Roman font. One line space is to keep between paragraphs, and no indent is to provide at the first line of a new paragraph.
- First level heading should be consequently numbered like 1., 2., etc., left justified, all caps and bold.
- Second level heading should be numbered consequently like 1.1., 1.2., 2.1., 2.2., etc., left justified, with running letter and bold.

Centre the title at the top of the page in all caps and bold font, with one line space after it. Author's (or Authors') name(s) is/are to appear next in a separate line; place affiliation(s) with address of organization and email ID in the next line(s) with identification marks in superscript. The abstract should be of 150-250 words. A list of 3-5 keywords is to place next. References should be cited in the text by numbers in square brackets, such as [1], [2], etc. List of references will be as per the example given below;

- [1] Bhattacharyya, M., Weldment Design, The Association of Engineers, India Publication, Kolkata, India, 1991.
- [2] De, R.N. and Bose, B., Flood Control in Damodar River Valley: An Overview, Journal of The Association of Engineers, India, Vol.79, pp.3-22, 2009.
- [3] Saha, P.P., Das, D. and Das, S., Effect of Edge Beveling on Burr Formation in Face Milling, Proceedings of the 35th International MATADOR Conference, Manchester, United Kingdom, pp.199-202, 2007.
