Engineers and Personalities in eminence have been invited to participate in the Golden Jubilee of this oldest India-based organisation. Membership drive has shown

remarkable success. Members in arrears are remitting their subscriptions. Sub-centres have been started in Asansol, Bombay, Lucknow. Technical Employment Information Bureau has been opened at the head quarters to assist the unemployed technologists, through the co-operation of the various chambers of commerce. Some of the influential dailies and periodicals have agreed to synchronise with the golden jubilee by bringing out special supplement. Golden Jubilee Souvenir, with list of members will be published. Exhibition, Essay competition, Sight-seeing, Golden Jubilee Dinner are other features. Sister organisations will organise a session of the Joint council of professional organisations.

The success depends on the enthusiasm of members and we trust the members will reciprocate with equal zeal,

With Compliments
