ANNOUNCEMENT

Geological Society of India

Lakshmeshwar Rama Rao Birth Centenary Research Grants: 2002-2003

A sum of Rs. 10,000 is available under the above endowment during the year 2002-2003 for helping young research scholars. Grants will be awarded to graduate students engaged in the fields of Palaeontology and Stratigraphy for carrying out laboratory and field work.

Those interested in seeking the above assistance are requested to apply to the Society furnishing full particulars of their academic qualifications, details of the projects they are engaged in and the extent and nature of assistance required by them. The application should be supported by their guide and the head of the institution and should reach the Secretary, Geological Society of India, P.B. No.1922, Gavipuram, P.O., Bangalore-560 019 on or before 20th January 2003.
