

## ANNOUNCEMENT

The proposed Seminar on 'Orogenesis and Metallogenesis in the Pre-Cambrians of India' under the aegis of the University Grants Commission and the Indian School of Mines, Dhanbad, which was to be held from 9th to 12th December, 1972, will now be held from 4th to 8th February, 1973 at Indian School of Mines, Dhanbad.

As already announced in the First Circular the deliberations of the Seminar will be divided into the following five different sections.

- Section I. (a) Tectonic episodes of the Pre-Cambrian mineralised belts.  
(b) Metallogenetic Epochs.
- Section II. Iron and ferro-alloy metal deposits.
- Section III. Base metal deposits.
- Section IV. Pegmatites and Pneumatolytic deposits.
- Section V. Exploration (geological, geophysical and geochemical), development and viability of the ore deposit.

Further details regarding programme, Lodging and Boarding arrangements, T. A. and D. A. to the participants etc. may be obtained from the Seminar Convener, Prof. O. P. Varma, Department of Applied Geology, Indian School of Mines, Dhanbad (Bihar).
