

HIMNET - HIMALAYAN RESEARCHERS LIST

E-Mail Address: HimNet@erdw.ethz.ch

Description : HimNet (Himalayan Network) is a E-Mail Internet link for any researcher working in the Himalayan countries of Pakistan, India, Tibet (China), Nepal and Bhutan. A news / discussion digest is sent to all those who are subscribed. HimNet is a "moderated" mailing list and aims to provide: conference details, list of latest Himalayan papers published in scientific journals, Himalayan magazine announcements, job vacancies with Himalayan interest, news from the Himalayan regions, scientific research information and news about anything related to the Himalayas. Back issues of the HimNet Numbers are available from the coordinator.

Access : If you want to subscribe to the HimNet Mailing List, send an E-Mail to: HimNet@erdw.ethz.ch with the command.

SUBSCRIBE <Your Name>
