

## **Annual General Meeting 2001 of the Geological Society of India at Hyderabad**

The Annual General Meeting of the Geological Society of India will be held at Hyderabad during 9 to 11 October, 2001 at the invitation of the National Geophysical Research Institute (NGRI) of the Council of Scientific and Industrial Research (CSIR). A National Workshop on "Water Harvesting with Special Reference to Artificial Recharge" will be held concurrently. The workshop will cover the following themes:

- Review of current practices
- Identify practices suitable for different geoenvironments
- Effectiveness of methods
- Revival of traditional system
- Prioritizing of approaches
- Urban harvesting
- Groundwater legislation

Scientists/researchers/NGO's interested in participating in the Workshop are requested to contact Dr. D. Muralidharan, Scientist, National Geophysical Research Institute, Uppal Road, Hyderabad - 500 007, India. **Phone:** 91-40-7170141, Extn.2319 (O); 91-40-7203418 (R); **Fax:** 91-40-7171564; **Email:** postmast@csngri.res.nic.in

During the annual convention it is customary to hold a session on presentation of recent research. Earth scientists who have material to present are requested to contact S.V. Srikantia, Hon. Secretary, Geological Society of India, P.B. No.1922, Gavipuram P.O., Bangalore - 560 019; **Telefax:** 080-6613352; **Phone:** 6522943; **Email:** gsocind@bgl.vsnl.net.in
