Steel Authority of India

Steel Authority of India Ltd is India's largest public sector steel maker and among the top Government owned companies conferred with the prestigious 'Maharatna' status. SAIL owns and operates 5 integrated steel plants at Bhilai, Durgapur, Bokaro, Rourkela and Burnpur, 3 special steel plants and ferro-alloy & refractory manufacturing units. SAIL is also the second largest producer of iron ore in India and meets 100% requirement from captive mines. SAIL offers the maximum array of steel products amongst all Indian manufacturers in the country. SAIL offers a wide range of products in mild, special and alloy steel categories.

Currently SAIL is on the verge of completing its massive modernization & expansion programme which will take its installed crude steel making capacity to 21 Million Tonnes per annum. Recently Prime Minister Shri Narendra Modi dedicated SAIL's modernized and expanded unit in Bhilai Steel Plant to the nation, including IISCO Steel Plant (ISP) & Rourkela Steel Plant (RSP) earlier. Very recently our steel processing unit at Jagdishpur was also dedicated to the nation by him. SAIL has started this unit to supply strong and value-added

TMT rebars in the region including Uttar Pradesh.

SAIL is also adding several new products to its basket which will cater to the needs of India's growing infrastructure and manufacturing sector. SAIL has also drawn up a strategic plan – 'Vision 2031' to increase its hot metal capacity to 50 million tons per annum which will put SAIL amongst the top steel companies globally.

Our business philosophy encompasses a triple bottom line approach covering the economic, environmental and social dimensions reflecting SAIL's commitment to build natural, human and societal capital and contribute its might in adding strength to India's development and progress. The tagline of the company 'There's a little bit of SAIL in everybody's life' symbolizes the fact that in last five decades it has grown from strength to strength and the SAIL brand is well entrenched in peoples' minds.
