Dear Sir,

It gives me immense pleasure in writing this message as President of ISA National for the starting of **Central Journal of ISA, in the forthcoming ISACON 2016**. It is a matter of great appreciation and will benefit many postgraduate students and practicing anaesthesiologists to share their experiences through this journal. As there are lot of articles pending for publication in the IJA this is a good platform to encourage our faculty members for submission of their long awaited articles for this journal.

I convey my best wishes to the entire Editorial team members for the successful commencement of the Central Zone Journal of Anaesthesia.

Dr. A.S. Kameswara Rao

President ISA
