To

Dr. Syed Moied Ahmed,
Editor-In-Chief,
Central Journal of ISA.

Dear ISAian,

Greetings from Indian Society of Anaesthesiologists National Head Quarters!

I congratulate You and your Team for publishing the current issue of Central Journal of ISA. Zonal Journals of ISA are need of the hour in view of mandatory publishing requirements for post graduates and faculty. The editorial board should also encourage interesting and challenging clinical cases in form of Letter to Editor from private practitioners. At the same time, indexing of Zonal Journals is also of paramount importance, so that researchers are not dissuaded from publishing in Zonal Journals.

Indian Society of Anaesthesiologists is committed to support Zonal Journals and shall ensure that these are established fast. However, as your ISA National Secretary, it is suggested to maintain regularity in publishing the Zonal journal. I am sure the high standards of publication shall be maintained, and appropriate peer review process will be followed. This will result in optimum utilization of ISA resources and help in early indexing of the journal.

ISA National Head Quarters is working towards starting other Zonal Journals also - in South Zone, West Zone, East Zone and North East Zone. I am sure with collective efforts, this shall be a reality very soon.

Jai ISAian!
Jai IJA!
Long Live ISA!!

Dr. Naveen Malhotra
